Sirs:

OFFICIAL

Responsive to the Office Action of 2/5/02, please amend the above as follows:

Claims 31-35, cancel without prejudice

Add claims 36-39, appearing in the appendix attached hereto.

REMARKS

Claims 36-39 are in the application replacing claims 31-34 which were cancelled to expedite prosecution. Claim 35 has also been cancelled to expedite prosecution. The new claims 36-39 have been drafted to avoid the Section 112 objections priorly made by the Examiner vis-a-vis old claims 31 and 32, and also to more clearly define the invention.

There are no new fees due since there are fewer than three main claims, fewer than 20 total claims, and no multiple dependencies.

The Section 103 rejection over Balch 6,083,763 in view of Haff 5,720,923, is respectfully traversed, especially in view of our new claims 36-39. Our invention is now more clearly defined
